About us

By IMOBILL.allaperto

Our outdoor furniture is attractive to young people. Simplicity, leisure, and comfort are the main purposes of our design, with innovative materials and sences.

IMOBILL. allaperto is a Sino-foreign cooperative outdoor furniture brand, It is an international brand created by Foshan Sanden Enterprise Co., Ltd., who has 15 years of experience in the production and sales of outdoor furniture, cooperating with Italian designers.

Our outdoor furniture is attractive to young people. Simplicity, leisure, and comfort are the main purposes of our design, with innovative materials and sences.At the same time, we realize the interconnection between indoor furniture and outdoor furniture, which is wintended to be at the forefront of the trend of this industry. IMOBILL.allaperto owns a factory of 20000 square meters. Our advanced production equipment and efficient team enable us to keep pace with the times. Based on a blend of passion for life and the pursuit of comfort, we transform art into our products.

We hope to bring the concept of an enjoyable, leisure life to everyone.

## New Exciting Look For Outdoor Collection

COMBO chairs take solid aluminum and rope as main material, and use the upholstery seat with outdoor fabric cover to increase the comfort. The result is an essential and functional product that is nevertheless rich in emotion. The thin legs form well-defined yet strong structural parts of the chair, matching bistro table, divan and side table. The various articles come in different colors.
